SCHOOL TYPE

Regent is a private, Christian interdenominational, College Preparatory school established in 2000 with 60 students, now serving over 500 students in grades Pre-K through 12. The campus also houses a 900 seat auditorium and 3.2 million dollar gymnasium.

PHILOSOPHY

Regent Preparatory School offers a rigorous classical and Christian education, firmly grounded in the liberal arts. True to the classical model, students are instructed through the stages of the Trivium (Grammar, Logic, Rhetoric).

ACCREDITATION/MEMBERSHIPS

Accredited by Association of Classical and Christian Schools. Professional memberships include NACAC, GPACAC, NACCAP, College Board, and Educational Records Bureau (ERB).

DISTINCTIVES:

- **Intentionally small class sizes:** In all core subjects, classes are comprised of no more than 16 students. This facilitates discussion, engagement, and interaction with instructors and fellow students.

- **Integrated humanities core:** Literature and history classes are integrated by following a chronological study of history, ranging from Classical Antiquity to Modernity. Students interact with primary sources in both humanities classes.

- **Writing Intensive:** Throughout the curriculum students will offer critical written response to a primary text, a great idea, a scientific theory, or even a mathematical theorem. This process of composition and revision cultivates skills of criticism and analysis and also aids the students in crafting constructive solutions. Students learn to ask the “why?” questions, laying a foundation for engaging with many of the human challenges we face today.

- **Senior Thesis:** Seniors are required to compose and deliver a lengthy argument based on original research. They must then defend the thesis before a panel of faculty judges. Both the presentation and defense are open to the public.

FACULTY

10 of the 20 faculty members in grades 9-12 hold advanced degrees (MA, MS, JD, PhD) from universities around the country. Student faculty ratio is 16:1.
